

## 2017-18 Funded Course Fees (for website)

The student tuition fees as published are subject to change given individual circumstances at enrolment. The tuition fees are calculated based on the student completing the entire qualification. Australian Fitness Academy receives funding for the actual hours completed within the qualification by the student.

Tuition fees can be paid on convenient payment plans from \$50 per week and can vary depending on the course you choose to study and the mode of delivery (face-to-face or online). Please note: for any course fees above \$1000 we accept no more than \$1000 prior to the commencement of a course and the total amount paid for other services yet to be delivered does not exceed \$1500. Please contact AFA for more information.
