

2020-21 Funded Course Fees

The student tuition fees as published are subject to change given individual circumstances at enrolment. The tuition fees are calculated based on the student completing the entire qualification. Australian Fitness Academy receives funding for the actual hours and units completed within the qualification by the student from the Qld Department of Employment, Small Business and Training. As Qld DESBT provide funding to support the training the actual tuition fee paid by the student is called the co-contribution fee.

Tuition fees (co-contribution fees) can be paid on convenient payment plans from \$50 per week arranged to suit your circumstances. Please note: for any course fees above \$1000 we accept no more than \$1000 prior to the commencement of a course and the total amount paid for other services yet to be delivered does not exceed \$1500. Please contact AFA for more information.
